Above: Mr. Soltykevych, Mr. Chaudhry, Mr. Radmanovich, and Mr. Riar prepare to serenade the students.

Achieving your goals is one indication of success, but success can be measured in a number of ways. Building friendships, working with others and creating life long memories are great ways to define ones success.

As you look through the pages of this book, take the time to cherish the memories and reflect on the past. The moments captured in the photos are snap shots of time, but they will last a lifetime. Hopefully the time that you have spent as a student at J. Percy Page has been rewarding and gratifying for you and you take pride in the fact that you know you will always be a Panther.

It has been a pleasure and an honor working with you as the principal of J. Percy Page and I hope you had a very rewarding and successful school year. Your commitment to building a positive community at Page is very much appreciated by the administration and staff. Thank you for being a positive ambassador of our school and a part of our history.

What you can achieve is limited solely by your imagination. If you can dream it, you can do it. anonymous

May you live each day with this quote in mind and reap the rewards that life has to offer. All the best and good luck as you make all of your dreams come true!

The transition to Grade 10 is filled with a lot of new adventures, new rules, and new friends. At Page it doesn't take long before the youngest Panthers are bursting with smiles as they grow to be comfortable at their new daytime home.

THE YEAR IN LEADERSHIP

A MESSAGE FROM MRS. LYONS

Jyoti Aheer has brought the Students Union to a new level with her team this year, and with the fantastic group of leadership students we have in our program! We started the year with a spirit-filled Panther Pride Week: Giant Twister, Jenga in the Pit, Sumo Wrestling, Tape the Teacher and the Terry Fox Run! From there, our events got even bigger and better: Rangoli and a Samosa eating competition at Diwali, the first ever Grad Garage Sale, Halloween Haunted House, hosting The Way In Mind Wellness Conference, and Christmas events wrapping up with a delicious Pancake Breakfast and a Student vs. Staff hockey game. And that was just semester one! Phew! Semester two continued with a great Multicultural Night, fierce Students Union Elections and an emotional Bike-A-Thon, where we raised \$22 000 and we had the privilege of meeting Oscar, our Wish Kid. Filming the grad DVD brought us into June, where we wrapped up the year with a fantastic Year End BBQ which resulted in many bruises from the Giant Slip N Slide.

However, this year was about building up Page Pride in our community as well. We had over sixty Page students mentoring every Friday morning at Dan Knott or Edith Rogers, in partnership with Big Brothers Big Sisters Boys and Girls Club. We had forty more students volunteering as Reading Buddies twice a month at Ekota Elementary School. We hosted The Way In Mind Wellness Conference for the second time, and A Fair To Remember, for the senior citizens in our area. We spent a week learning about Dadaab, the world's largest refugee camp. We cleaned and prepared meals at the Ronald MacDonald House. We spent time at a Leadership Retreat learning about consensus, about social justice, about creativity and about teamwork.

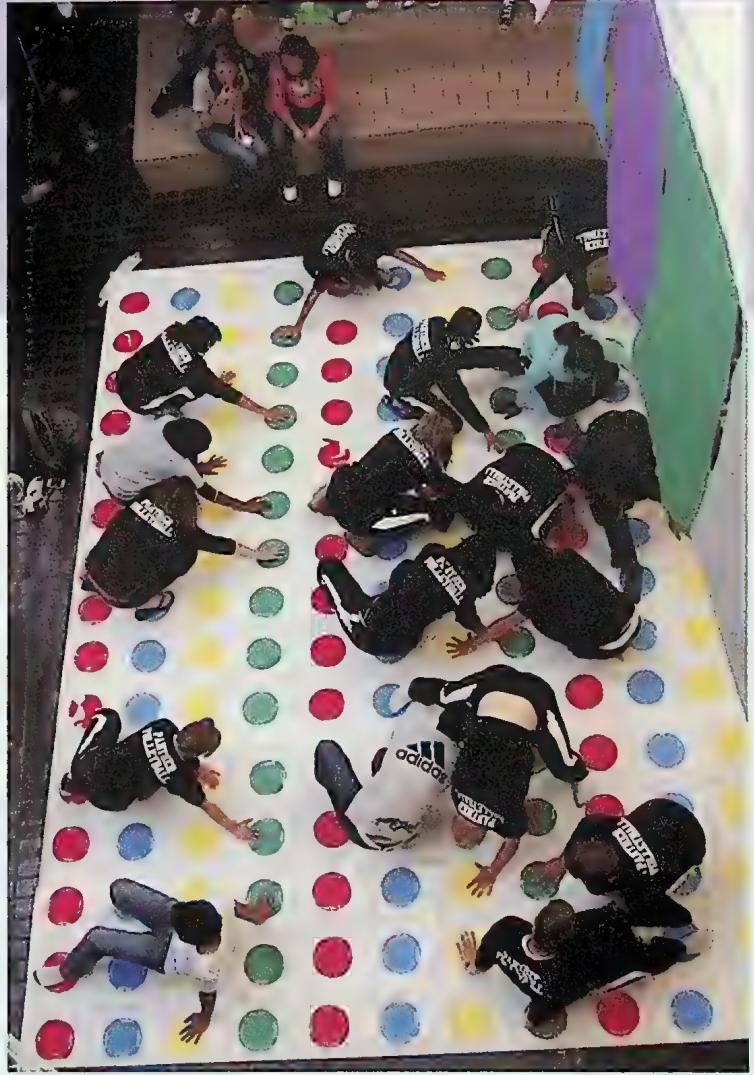

We are walking away from this year with pride in ourselves, with an eye for what can be better, with newly acquired or polished skills, and we are ready to be the change.

Every year Page Panthers kick off the year with a week of lunchtime activities that serve to bring the school together and create a sense of community. This years events included Twister in the Pit, Tape the Teacher in the gym, and of course what would Panther Pride week be without a little Sumo wrestling!

PANTHER PRIDE WEEK SETS THE TONE FOR A GREAT YEAR AHEAD

Mrs Lyons and her leadership team are all smiles in the Pit.

Panther Pride week sets the tone for the year, creating a time for Grade 10's to make Page their home for the next three years and the Grade 11's and 12's to welcome them with true Panther spirit!

Below: Leadership students kept the hallways filled with bright messages, greetings and farewells throughout the year.

Leadership students on their way to the Alberta Student Leadership Conference.

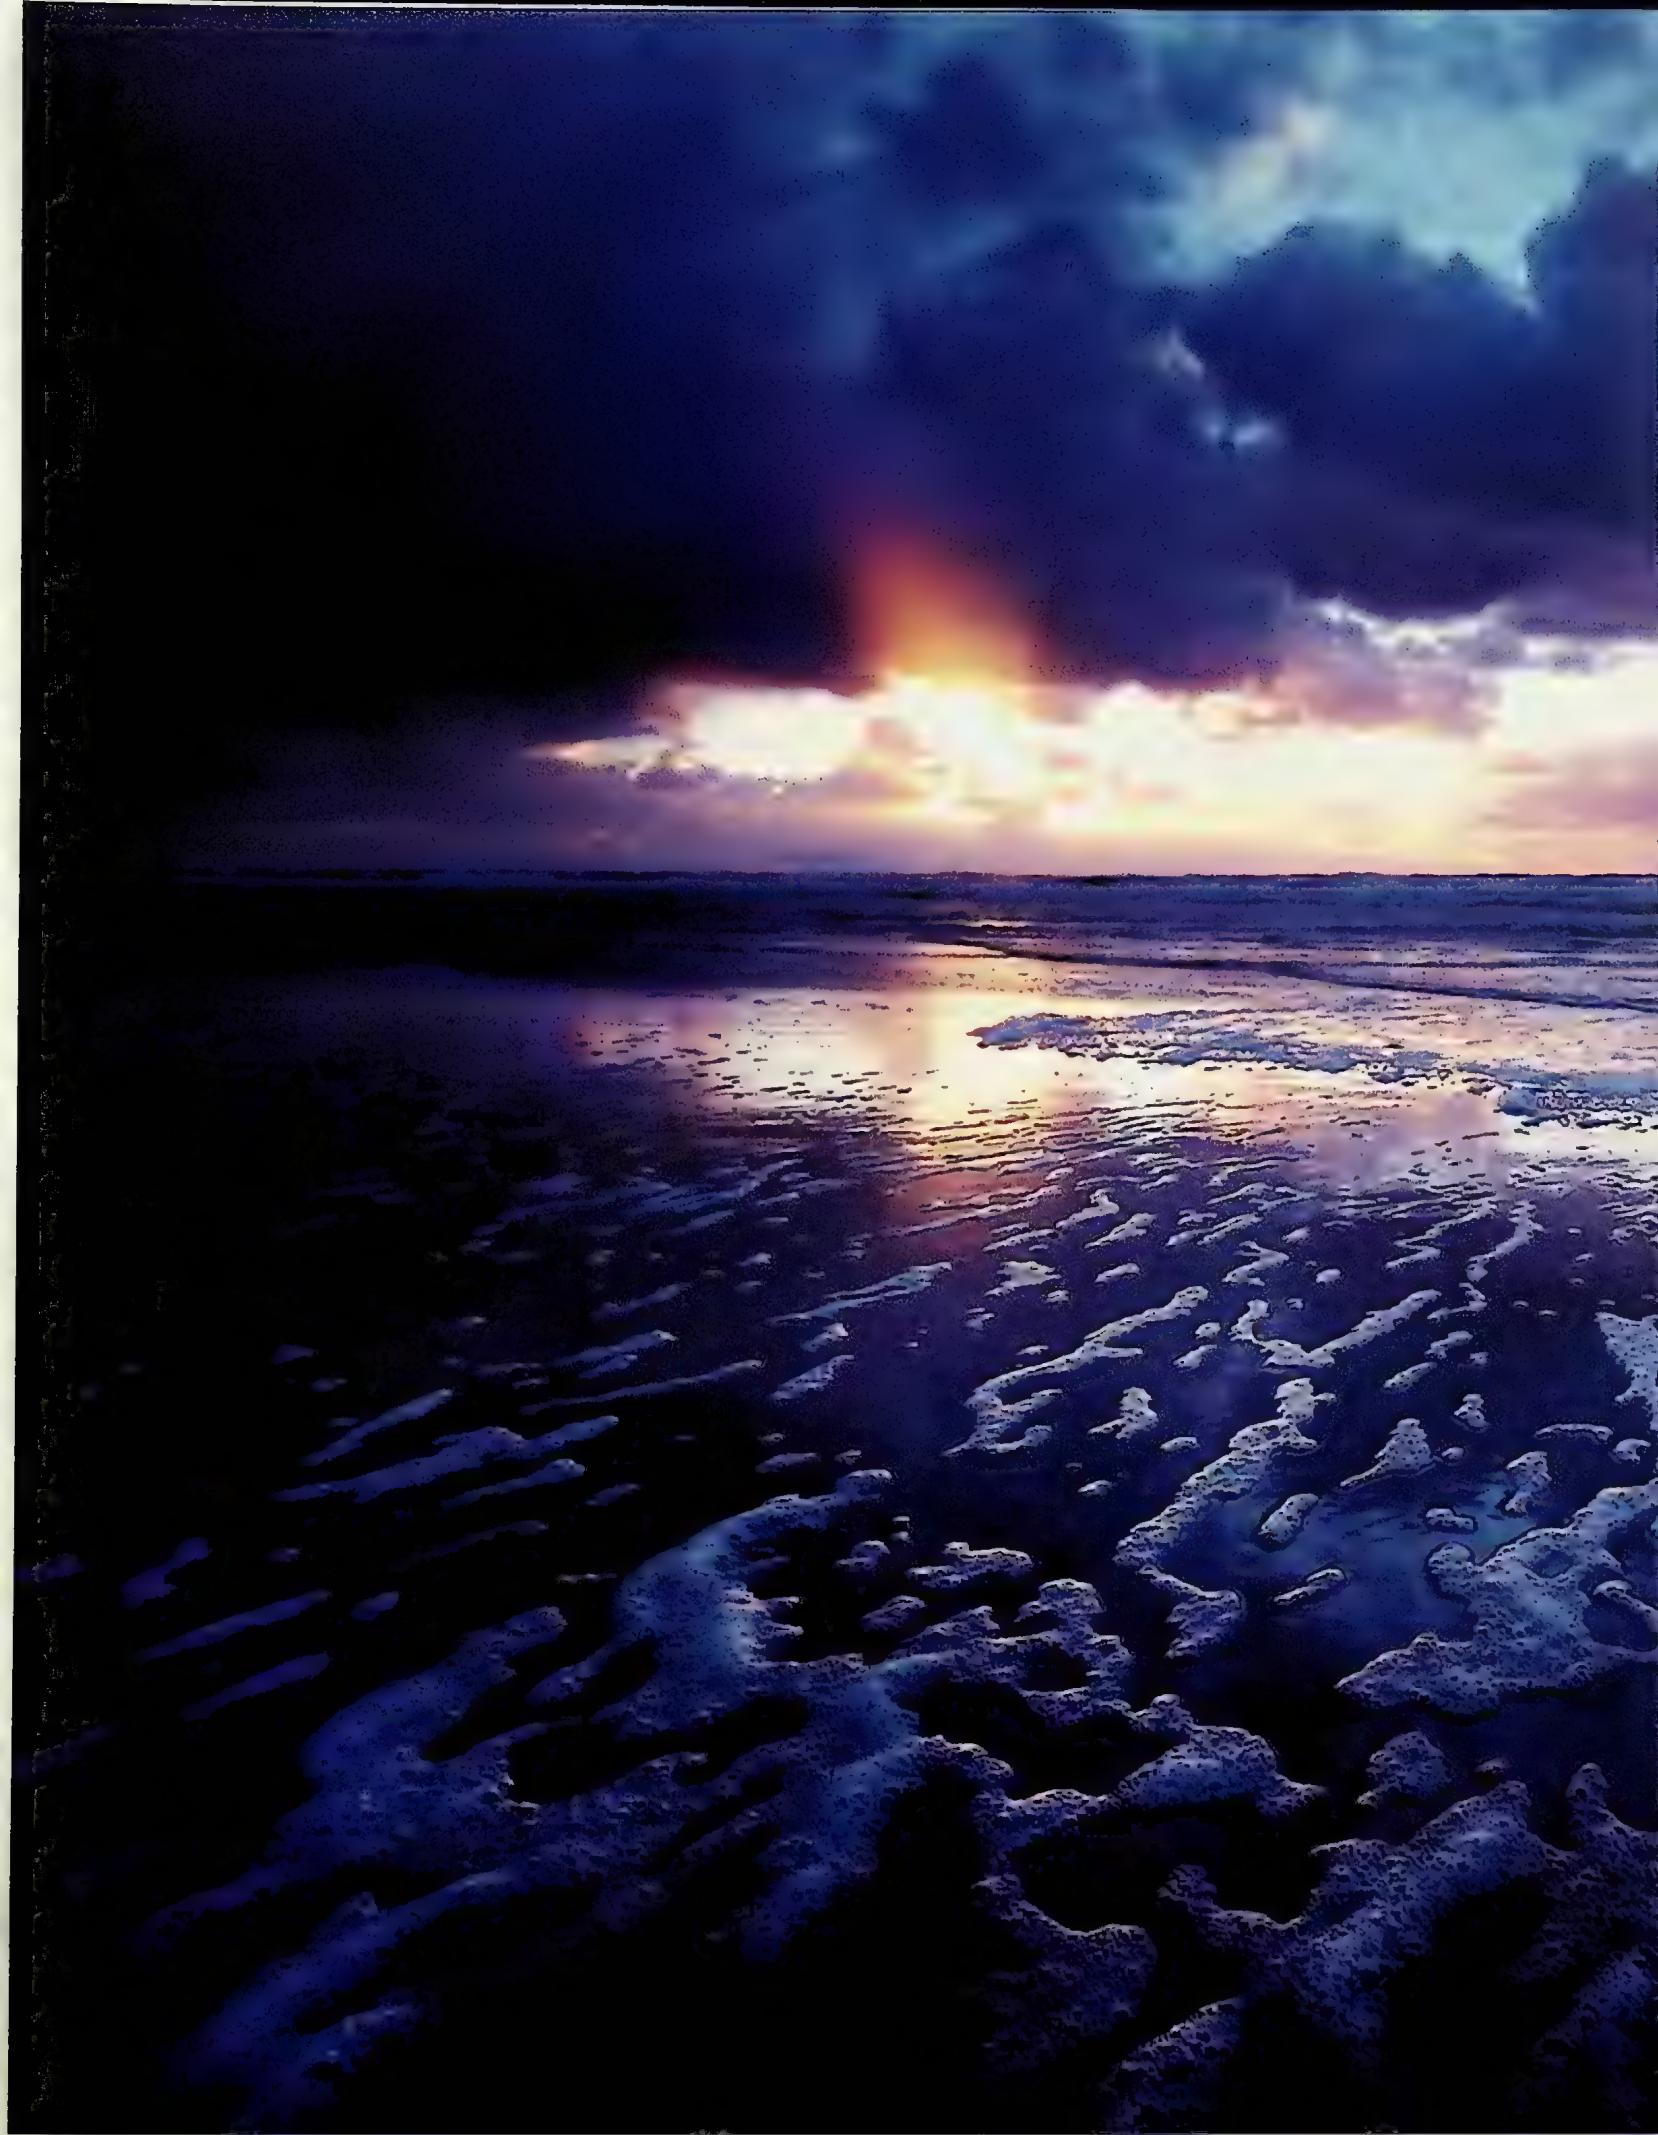

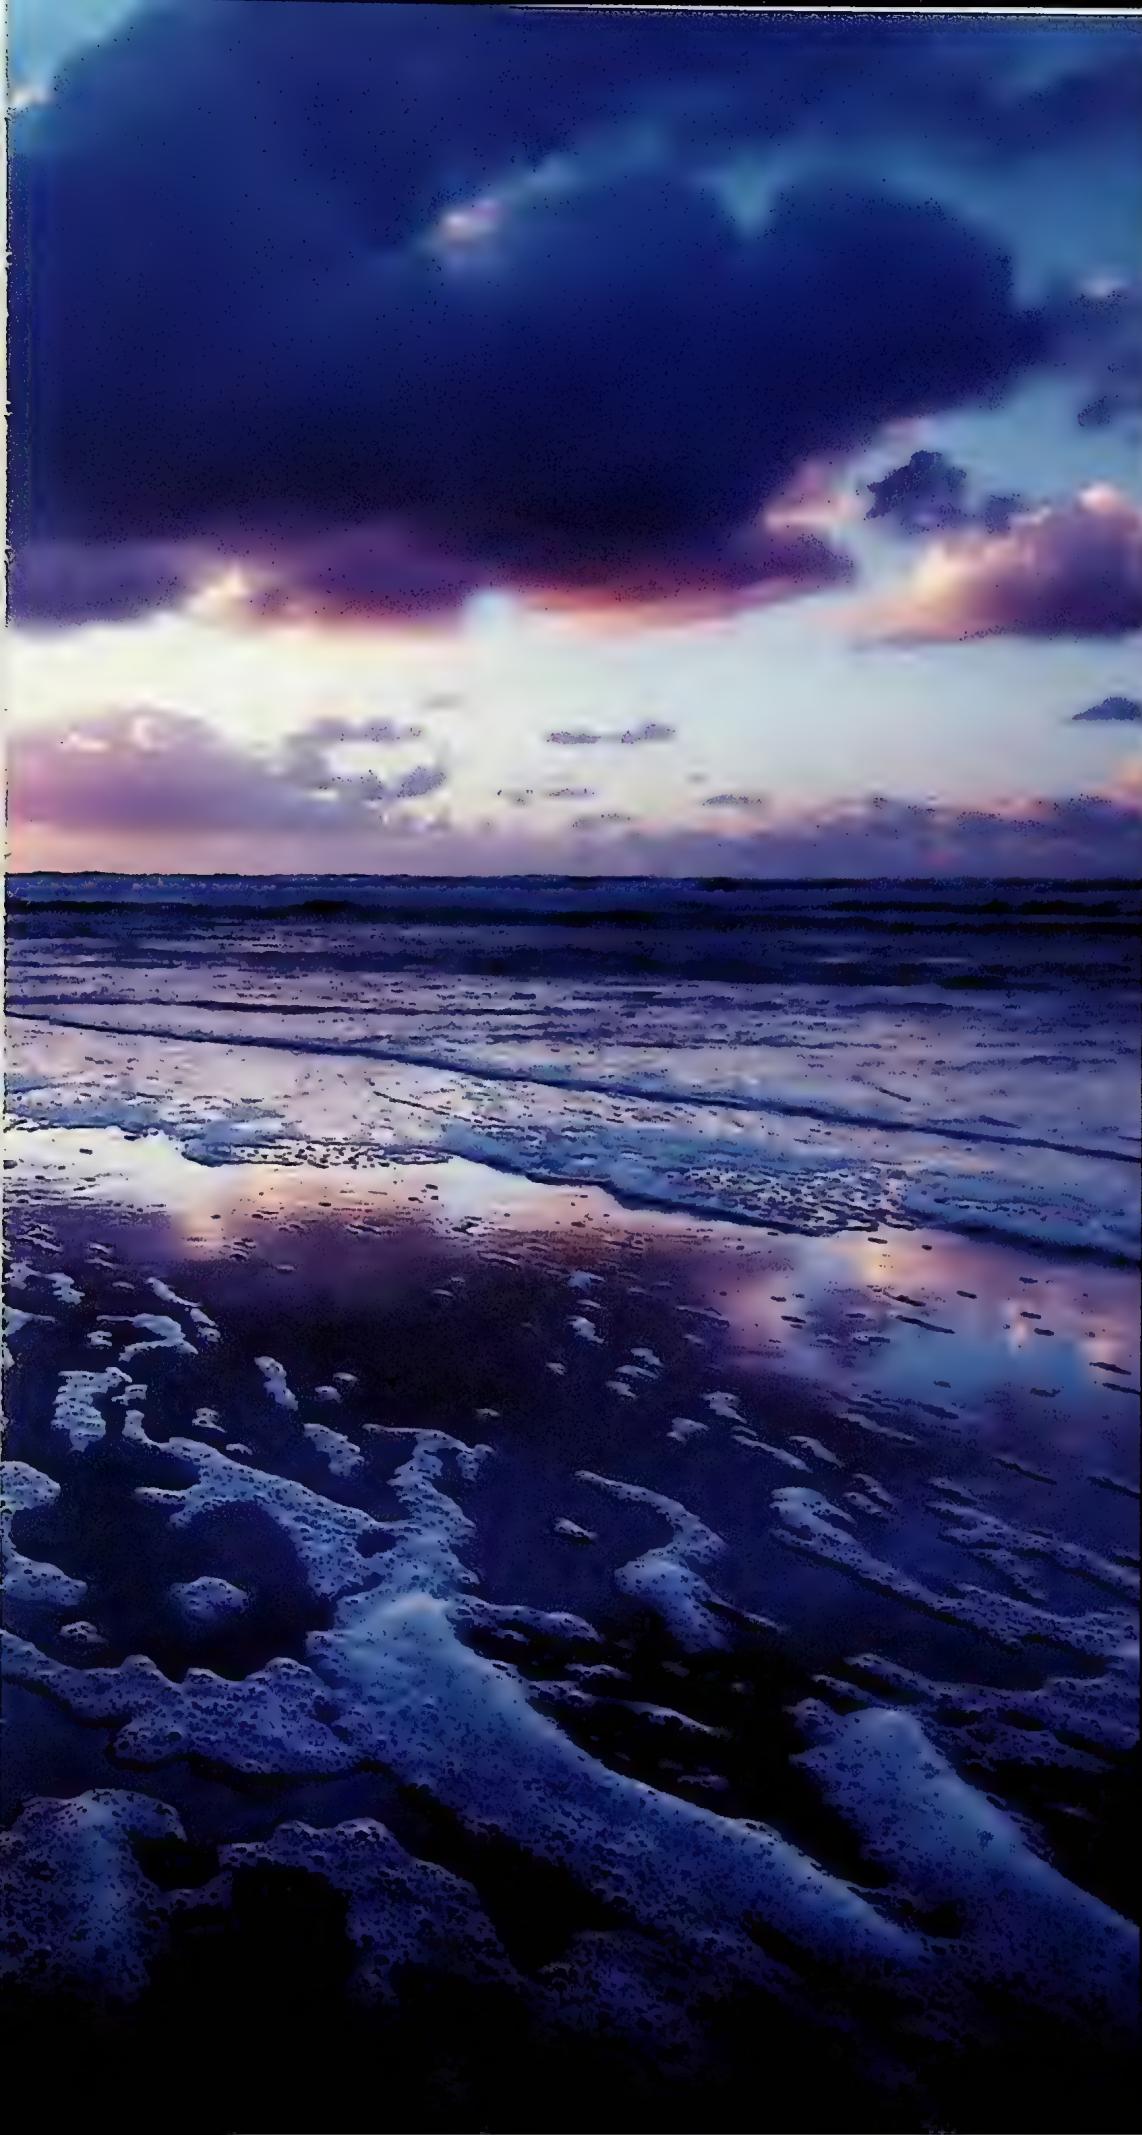

Page Leadership students not only took pride in making Page a better place to be in every day, they also worked diligently to expand their learning and efforts to the greater community. From the first day of school to the very last, Mrs. Lyons and her leadership class put their best foot forward towards being responsible and caring students and citizens.

Malak Ajaj sends out peace and love to her classmates on the last day of school.

THE
LAW
MADE
EASY

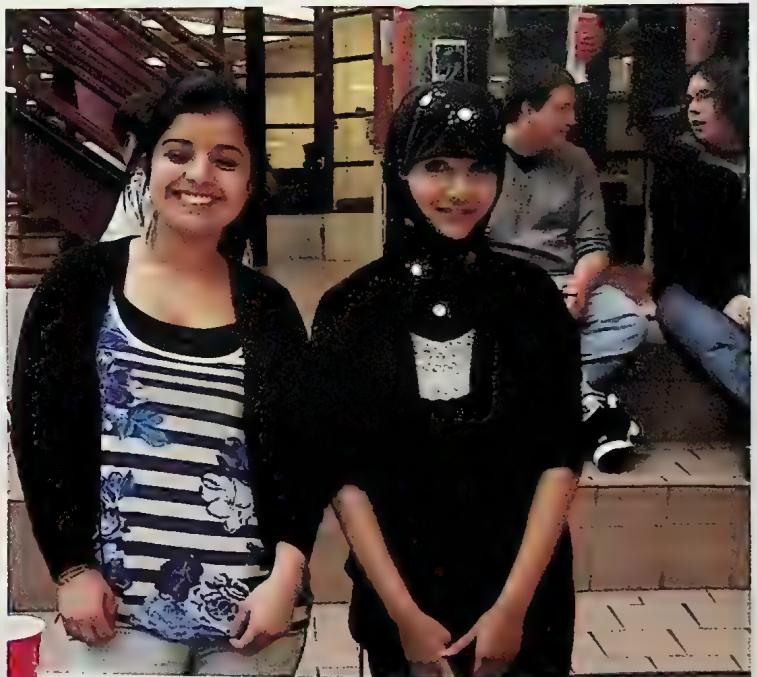

Every year at Page staff and students come together to learn from one another about different holidays and celebrations recognized by those in our community. This is best exemplified through the recognition of Diwali, the Hindu "Festival of lights," and Eid, an Islamic celebration tied to the end of Ramadan.

DRAMA 30'S BRING INTRIGUE AND LAUGHTER TO THE STAGE

This years Dessert Theatre was an amazing success with the Drama 30s performance of *The Will* by Kamron Kligaard and further entertainment by the choir and Drama 10s during intermission. Pictured here is the cast of *The Will*. The late Colonel Muckhausen had no remaining family, so many of the people she had met in her life, from surfers to hillbillys were brought to her mansion to attempt to win the treasures of her will.

Caitlin Hart, Janine Mergyl, and Kathleen Edwards acted as proud members of the GSA during the 2011-2012 school year.

THE GAY STRAIGHT ALLIANCE

The Gay Straight Alliance Club meets to support the Lesbian, Gay, Bisexual, and Transgender youth at J. Percy Page. Throughout the year we hold events such as Day of Pink, Spirit Day, and other campaigns to raise awareness of homophobia, bullying and other challenges affecting this minority group.

THE MATH DEPARTMENT BRINGS THE FUN

While the hallways at Page are usually kept quiet it was the Math Department that provided the most silly fun this year. Between the annual Pi Day celebration where students got to take aim at their favourite teachers with some whip creamy goodness or Mr. Lyon's class surprising him on his birthday with a room full of balloons, staff and students alike knew that if they needed a place to smile, the hallways of the Math department was the place to go.
